Skywire - the world's longest flying fox, the Skywire is designed to reveal the striking natural beauty of Happy Valley. A combination flying fox & chairlift sees riders in a four-person carriage soar 1.6 kilometres across a native forest valley reaching speeds up to 100kph – and then 1.6km backwards! Mixed with this is absolute peace & quiet. The lasting memories are the wonderful views of the native forest & silence broken only by the chorus of native birds. Not for the faint hearted but definitely for those who want a thrill without a sense of terror. Allow 1 hr.
