

Wanaka

Wanaka - Wine Tours

Central Otago has quickly gained an international reputation for its Pinot Noir. Today over 70% of the regions vineyards can be easily accessed from Wanaka. SLS provide small group tours that are relaxed, fun and flexible. Private options available on request.

Full Day Classic Wine Tour – The perfect way to combine sightseeing with wine education. Visit a minimum of 3 vineyards in the Bannockburn and Cromwell region with sampling along the way. Increase your wine knowledge with a visit to the Aroma Room & learn why the experts describe a wine's smell as "cherries" or "lemon" before tasting more wine on a virtual flight over the entire Central Otago winegrowing region. An enlightening experience for a wine novice & an interesting and novel approach for experts. This experience includes a platter style lunch. **Departs** Wanaka daily 10.30am returns 5.30pm, includes accom transfers.

Mt Aspiring National Park - Fly, Hike & Jetboat Adventures

Departing from Makarora, 1 hr's drive from Haast or 45 mins from Wanaka this is your opportunity to explore stunning World Heritage listed Mt Aspiring National Park.

Siberia Wilderness Adventure

A 4 hour/half day wilderness experience combining a scenic flight, valley walk and jet boat ride. Start your experience in Makarora with a scenic helicopter flight taking in aerial views of the towering ice carved mountains and glaciers. Land in the remote Siberia Valley & enjoy a relaxing 3 hr walk on a well marked track. Rendezvous for a fast-paced return jet boat ride through the icy blue waters of the Wilkin & Makarora Rivers. Low energy level. **Departs** on demand.

Adult \$335 Child \$274

The Jumboland Wilderness Adventure

A totally unique wilderness adventure requiring a moderate level of fitness. Start your Jumboland Adventure with a World Heritage scenic helicopter flight deep into the Mt Aspiring National Park. See ice carved mountains, glacial lakes and sweep into ancient river valleys while enjoying an informative commentary with your pilot. Set down in the remote untouched land of Jumbo and enjoy 4 hours of hiking on a wilderness track through native rainforest running alongside the fish filled pools of the Wilkin River. Rendezvous with Wilkin River Jets for a thrilling river safari on not one but two stunning wilderness rivers back to Makarora. **Departs** on demand.

Adult \$335 Child \$274 (3-13 yrs)

Wanaka - Eco Adventures

Lake Cruise & Island Nature Walk

Cruise to this unique and magical nature reserve, walk the track to the serene Arethusa pool near the summit for amazing lake and alpine views. Our experienced guides will share their knowledge of local features as well as the diverse birdlife including the rare Buff Weka, extinct on the mainland. This is a not to be missed experience as the island is geologically unique with a lake on top, no introduced predators, & magnificent panoramas of the Southern Alps dropping dramatically into Lake Wanaka. **Departs** 9am & 1.30pm. Duration 4 hours. Includes morning or afternoon tea. Min 2 people.

\$173 Adult \$112 Child

Guided Boat Fishing

Lake Wanaka has 180 square kilometres of cool, clear mountain water. EWA has a 7.8 metre cabin boat for fishing the myriad of bays and inlets of the lake, with the snow capped Southern Alps above. Our skipper/guide will get you quickly to one of our favourite spots. The introduced target fish include Rainbow, Brown Trout & Quinnet Salmon. All equipment supplied, including light refreshments. Beginners welcome. Just relax and drink it in (and the water if you want!). **Trips depart** 9am or 1.30pm Nov-May, (May-Oct trips depart 10.30 am). Duration 3 hrs.

Adult \$173 Child \$112 (under 15 yrs)

Wanaka - Skydive

Skydive Lake Wanaka

Imagine freefalling at 200kph above the most extreme scenery in the world! After your safety briefing you take to the skies! Experience awe-inspiring 360 degree views during your scenic flight to your chosen altitude. Capture NZ's highest snow capped peaks including Mt. Cook/ Aoraki and Mt. Aspiring. Majestic mountains that tower above the World Heritage National Park where glaciers feed forested river valleys and glistening lakes. Freefall for 45 or 60 seconds with your instructor, then soar under parachute above snow capped peaks before landing softly back at the drop zone.
